Division of Professions and Occupations: File a Complaint Online

Before Filing a Complaint Online

Before filing a complaint, be sure to register an account with Online Services. The benefits of registering include:

- Making it easier for the board or program to contact you if they have important follow-up questions,
- Allowing you to track the progress of your complaint, and
- Showing you the history and status of any and all complaints you have ever submitted.

File a Complaint Online

File a Complaint online now with Online Services. Online complaints are the most efficient way to guarantee all necessary information is submitted. If you would still like to submit a hard copy complaint, please access our hard copy complaint forms.

Although anonymous complaints are accepted, we encourage you to register an account or provide your contact information to help us thoroughly address the complaint. If we don't have enough information, the board or program may have to drop the complaint since we can't contact you for further information.

Before filing a complaint, we recommend that you [register an account](#) so that you may track your complaint or answer any follow-up questions the Board or Program may have.

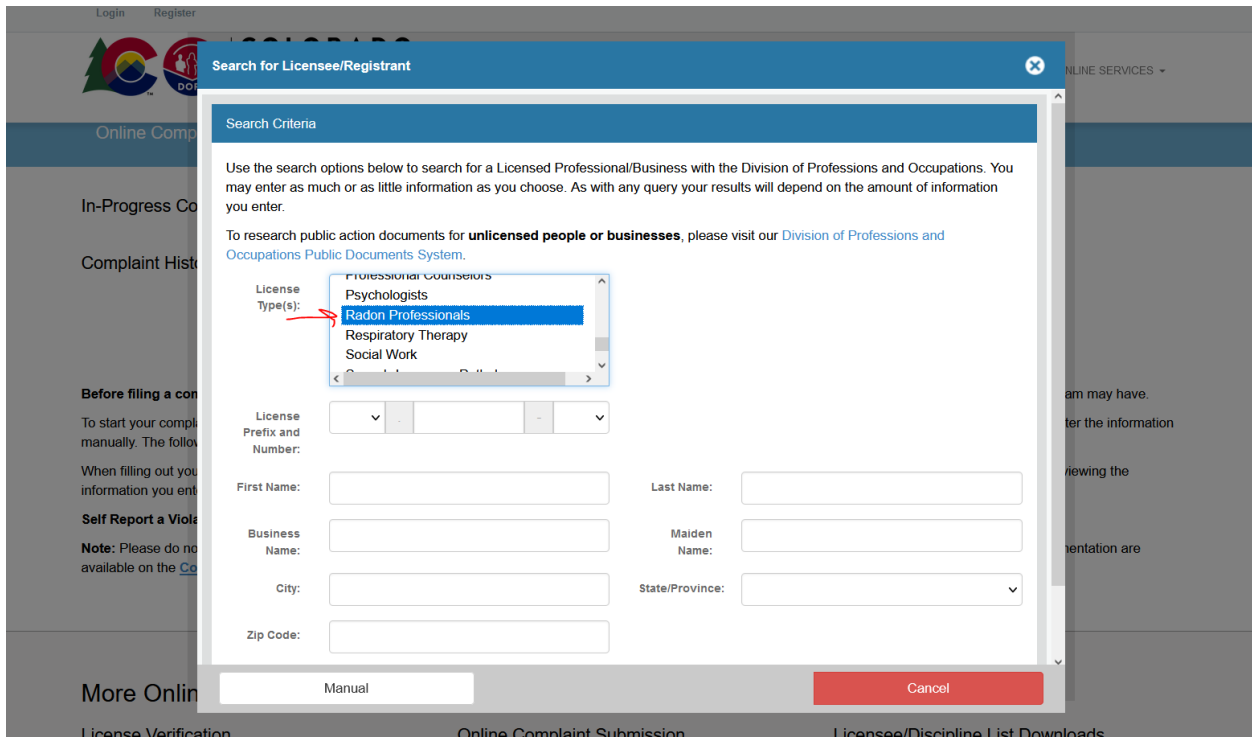

To start your complaint, click the "File Complaint" button and search for the licensee (Respondent). If the person is not licensed, select "Switch to Manual Entry" to enter the information manually. The following screens will confirm the licensee or business information and your contact information (unless you check "File Anonymously").

When filling out your complaint, please provide as much information as possible to allow the Board/Program to identify the issues and respond appropriately. After reviewing the information you entered and clicking "Finish Process", you will be returned to this screen.

Self Report a Violation: If you are Self Reporting a violation to the program, enter your information as the licensee (Respondent) and as the reporter (Complainant).

Note: Please do not begin this process until you have all documentation about your complaint available and ready to upload onto the online form. Examples of documentation are available on the [Complaint FAQ Information Page](#).
